Project Objectives:

The aim of the MERID project is to intensify and encourage research and innovation cooperation between the EU and the Middle East region, directly involving partners from Egypt, Iran, Iraq, Jordan, Lebanon and Palestine. The project is the first attempt to systematise support to the policy dialogue and involvement of research communities of Iran and Iraq in the H2020 programme, as well as an initiative that seeks to give continuity to collaboration frameworks already established between the EU and Middle East countries. The project has high
