International Advocacy for the
Strategic Alignment of MSCA
Cooperation Mechanisms in Key
Partner Countries and Regions

MSCADVOCACY

Germany
Greece
Portugal
Austria

Project Objectives:

The aim of the MSCAdvocacy project is to provide direct support to better align MSCA cooperation mechanisms of 20 key partner countries and 6 regions with the European Commission's Global Approach to Research and Innovation. In particular the project will aim at providing active support to MSCA stakeholders on the ground in order to utilize untapped promotion opportunities and events in line with the objectives set out in cooperation roadmaps and the EC's Global Approach to R&I as well as in synergy with promotion events and activities related to
