Holistic networking of creative industries via hubs

CREATIVE HUBS

Image not found or type unknown

Project Objectives:

Generate new business ideas and enterprises in creative and agri-food sectors as main driver for regional growth. By sharing a cross-innovation model through the involvement of enterprises, clusters and local authorities, the partners will develop an integrated and participatory program of activities to enhance innovation and cross-sectorial business ideas.

Funding:

European Commission

Start / End:

Budget:

EUR 854.919
