DEVELOPING THE HAND/CRAFTS SKILLS AND ENHANCING THE ECONOMIC STATUS OF WOMEN IN UPPER EGYPT

WEE

Egypt

Project Objectives:

The project aims to improve the status of rural women, increasing their awareness of basic rights and self-confidence. The project provides knowledge and technical tools, including financial support, technical assistance, microcredit and internships in Italy on the creation of new micro and small income-generating activities or improving those already existing in the sector of handicraft, agriculture and services.

Funding:

Start / End:

01/11/2014 - 31/10/2017

Budget:

EUR 3.370.000
