Project Objectives:

The project aims to establish and foster 'European Agri-food Sustainability Cluster Partnerships' to facilitate the implementation of the EU Code of Conduct on Responsible Food Business and Marketing Practices by Small and Medium-sized Enterprises (SMEs). The focus is on enhancing resource-efficiency technologies and mitigating food inflation, with a specific emphasis on SMEs in food processing. While recognizing the importance of partnerships with farmers and retailers, the primary support is directed at the middle segment of the agri-food
