## Innovative Multistakeholders Platform For Agribusinesses' Continued Thrivingness

# IMPACT

Italy  
Jordan  
Lebanon  
Cyprus

## Project Objectives:

By fostering sustainable local production, the agri-food MSMEs operating in the targeted countries will benefit from the establishment of data-for-investment development models, and the overall socio-economic fabric will consolidate thanks to the cascading effects of impact investments, resulting in employment opportunities and sustainable agri-food value chains.

### Funding:

European Union
